

Muebles de oficina en plástico

space saver haya/
Muebles de madera pero con la ventaja de ser de la mejor resina.
Plastiken es la única empresa del sector que incorpora **láminas decoradas con textura de madera** sobre muebles de resina.
Plastiken apuesta por la innovación tecnológica, para esta línea de productos se ha optado por la tecnología **IML (in mould label)** para conseguir un producto decorado y único.

Wood furniture with the advantage of being made with the best resin.
Plastiken is the only manufacturer who adds **decorated sheets with a wood-like texture on resin cabinets** in order to get the best finish.
Plastiken goes for technological innovation.

For this range of products we have chosen **IML technology (in mould label)** in order to achieve a decorated and unique product.
